

3rd in the
Stairway
to Heroin
series

Speaker:
Robert Stutman

Taking to the front lines of the drug wars, Mr. Stutman made a 25-year career as one of America's highest profile drug busters. Considered to be one of the nation's top experts on drugs, Mr. Stutman has received numerous awards and honors for his work throughout the United States and from the governments of many other countries.

In 1990, Mr. Stutman established The Stutman Group, a management consulting firm that designs and implements comprehensive and practical substance abuse prevention programs for communities, corporations and school systems across the nation.

In addition to leading The Stutman Group, Mr. Stutman is the former Special Consultant on Substance Abuse for the CBS News division and has appeared on numerous national TV shows. Mr. Stutman's extensive speaking tours have brought him before hundreds of audiences in more than 70 countries.

Stairway to Heroin: Bridge to Action ... Communities Coming Together

Tuesday, February 17, 2015

5:45 - 6:30 PM Resource Fair

6:30 - 8:00 PM Program

Westbrook Church

1100 State Highway 83, Hartland, WI 53029

For the first time in history, automobile accidents are the second leading cause of death by accident in the United States as reported by The Centers for Disease Control.

The leading cause of teenage accidental death is drug overdose.

We have become a society where the prevailing pressure on our youth is to "do drugs." How did we get here? And how do we deal with this devastating and debilitating problem that is affecting our families, our communities and our workplace? This presentation will tackle these questions and provide valuable information on the greatest health issue facing our country today.
